

Kiddie College School
Transportation Rules & Procedures For
School Age Students
2004-2005
www.KiddieCollegeSchool.com

Kiddie College has two vans for use in transporting our school age students to and from their respective schools each day. The vans are driven by Kiddie College staff. The vans will leave Kiddie College at approximately 7:10 each morning to transport the students to the schools; therefore the students need to be here and signed in by 7:00.

In order to maintain a safe and orderly van ride, the following rules and behavior management plan will be enforced:

1. Treat the van driver and van property with respect.
2. Objects are not to be thrown in the van or out the window.
3. Do not hang hands, arms or head out the window.
4. Children must stay seated and belted at all times.
5. Noise level must be kept low.
6. Fighting, cursing and/or rough housing will not be allowed.
7. No littering, eating, drinking or chewing gum on the van.

If rules are broken, parents will be notified by Kiddie College School. Three (3) violations will result in a **three day suspension** from riding the van. **A child may be suspended without three notices for a major infraction of the van rules.** In the event of suspension, tuition will remain the same.

If a child damages the van and/or its property, the parents will be responsible for any and all repair costs.

Parents are to notify the center by 2 p.m. if the child will not be riding of the afternoons so the driver doesn't waste time looking for the child at the school. If the child is not at the agreed location for pickup, the center is not to be held responsible. The center will make a reasonable effort to locate him/her and will notify the parent and appropriate authorities if necessary.

I request and authorize Kiddie College School to provide transportation for my child,
